

MONTGOMERY - OTSEGO - SCHOHARIE SOLID WASTE MANAGEMENT AUTHORITY

To Potential MOSA Customer:

The Authority annually establishes an “Official Tipping Fee”, which is shown on the rate schedule.

Montgomery County subsidizes MOSA’s official tipping fee for all waste delivered that originates within its boundaries. The level of subsidization may change annually. The rate schedule shows the latest subsidization rate. This rate is applied at the time of delivery.

Otsego County also subsidizes the official tipping fee established by the Authority. For a customer to receive the subsidized rate shown on the rate schedule, an agreement must be consummated with Otsego County. To obtain information, please contact Terry Bliss, Otsego County Solid Waste Coordinator, at (607)547-4225. For those having entered into the required agreement with the County, the subsidized rate is applied at the time of delivery.

Schoharie County also subsidizes the official tipping fee established by the Authority. For a customer to receive the subsidized rate shown on the rate schedule, an agreement must be consummated with Schoharie County. To obtain information, please contact Jeri Murray, the Schoharie County Sealer of Weights and Measures, at (518)295-8372. For those having entered into the required agreement with the County, the subsidized rate is applied at the time of delivery.
